Certification Board

Dear Mr. Mills:

President Dennis A. Noggle, CPP

Dallas, Texas

Baltimore, Maryland

Kimberly-Clark Corp I am writing to extend my congratulations to Bush Gardens for the recent achievement of Curtis J Reeves, Director of Security. Earning recognition Joseph A. Barry, III, CPP as a Certified Protection Professional (CPP) is no small accomplishment; PPM 2000 Inc. it puts Mr Reeves among the cream of the security profession and Bush Gardens among those organizations fortunate enough to have a CPP helping Gene Gwiazdowski, CPP
Baltimore Gas & Electric Co. with their protection responsibilities.

John T. Horn, CPP Perhaps you are familiar with the Certified Protection Professional Kroll Associates Program; but if you are not, may I briefly tell you about it? It was New York, New York established in 1977 by the American Society for Industrial Security, which George N. Knudtzon, CPP is the leading organization of security professionals in the world with Audax Research Center over 24,000 members. The certification program sought to formalize the Silverdale, Washington Emil Monda, CPP establish standards for the knowledge and experience that should Irvine, California characterize professional practitioners, and to certify individuals who

Roy J. Murphy, CPP met these standards and demonstrated mastery of the profession's Loral Infrared & Imaging Systems fundamentals. A difficult battery of mandatory and specialty exams was Lexington, Massachusetts developed to test this mastery. And Curtis J Reeves had to meet strict Henry A. Nocella, CPP experience and/or education requirements which are necessary to take the

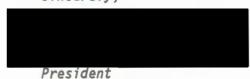

CPC International, Inc. Englewood Cliffs, New Jersey examination. Raymond T. O'Hara, CPP This, of course, will not be the end of Curtis J Reeves's pursuit of Weyerhaeuser Co. This,

Carlsbad, California professional growth in security. Every three years, proof of continuing Denis A. O'Sullivan, CPP education and active participation in professional organizations will be PPM 2000 Inc. required for recertification credits. Without staying current, no Edmonton. Alberta, Canada security practitioner can bring true professionalism to the job. I

William F. Steinkamp, CPP sincerely hope you will support your CPP's efforts in this area; and that Lehigh-Northampton Bush Gardens will take full advantage of the valuable resource it has in Allentown, Pennsylvania Curtis J Reeves.

Melvyn R. Williams, CPP AT&TOnce again, congratulations! Norcross, Georgia
